

Dear Valued Clients,

Salamander Tax understands the growing concern surrounding the coronavirus (COVID – 19) and how it is affecting our communities. As we respond to this ever-changing environment it is the safety of our clients and staff that remain our highest priority.

We are monitoring the situation closely, which is why we are taking necessary precautions to keep our tax offices clean and safe. We will continue to refer to the Centers for Disease Control and Prevention, the World Health Organization and other public health agencies to determine the safest course of action for our offices. As a precautionary measure, we have implemented increased hygiene and office cleaning routines, along with ensuring our associates have the latest information they need to stay healthy or stay home per the guidance from the CDC.

Currently all five of our offices are open for business as normal. Salamander Tax is committed to meeting our clients tax needs while keeping in mind the safety and well being of everyone. We would like you to be aware that our tax preparers will always be available to handle your tax needs via email, fax, mail or in person. We will continue to monitor the situation closely and adjust accordingly based on the guidelines set by the CDC & IRS.

Again, the safety and well-being of our clients and associates are our top priority and our hearts go out to all those who have already been impacted by this virus. Rest assured Salamander Tax is committed to doing its part in keeping everyone safe.
